Welcome to the ERSGA Self-Service Desktop.

The purpose of this site is to allow you to view your account and generate retirement benefit estimates and service purchase cost calculations. We encourage you to view your account often and report any incorrect information and/or changes so your ERSGA account is accurate. You may view detailed information and instructions by clicking on the question mark icon located on each screen.

### View/Update Profile Information

This section contains the personal information (name, date of birth, etc.) we currently have on file for you.

### Generate Benefit Estimate

You may use this calculator to generate your estimated retirement benefit.

### Update Beneficiaries

This section allows you to update your beneficiaries.

### Personal Correspondence

You have unread Personal Correspondence.

### Request a Refund

Our records show you are still actively employed. You may request a refund once notification of your termination is received from your employer. [Click here for more information.](#)

### View Account Summary

In this section, you may view and print a summary of your account including contributions, interest and creditable service.

### Calculate Refund Payback Cost

If you have previously received a refund, this section allows you to recalculate an estimated cost for buying back that service.

### Change ERSGA Record

This option is only available if you are enrolled in more than one ERSGA plan (for example ERS and PSERS), or if you are receiving a payment from ERSGA, and wish to view this information.

### Account Audit Request

Use this link to access our online Account Audit Request form. Complete the form and provide as much information as possible regarding your reason for requesting the audit.

### Logout

This section allows you to log out of the secure ERSGA site.

A summary of your PSERS account will be displayed. You may also print your member account summary by clicking the “View in printable form” link.
